

## Molly Ward

U.S. Department of State

### Bilateral Meetings

- (15:00 - 18:00)

#### Description

U.S. federal executive department responsible for international relations. We are the lead U.S. government agency partner of the SEforALL initiative and have led on-the-ground country action processes. We run a variety of engagements and activities focused on stimulating finance, policy/regulatory reform and risk mitigation, and technology development to support and the growth of global clean energy access.

#### Organization Type

Government Agency,

Offer & Request

### Support and partnerships for global off-grid clean energy development

(Please see organization description.)
